

West Nidaros Endowment and Memorial Foundation

Guidelines for disbursement of interest from the Horizon Fund

- 20%-40% may be designated for capital building projects and unusual maintenance or repairs for WNLC
- 20%-40% to support local, individual, regional, national or international disaster relief or other benevolence needs
- 20%-40% to supplement WNLC's support of Christian education such as special programs within the congregation and support of individuals or institutions involved in higher education or seminary
- 20%-40% to support local, regional, synod, national or international missionary work over and above what the congregation provides for within its budget, and/or funding for extraordinary programs/ministry initiatives within WNLC such as for music ministry, youth ministry projects, health ministry, library acquisitions, community outreach programs, any or all which may increase the community impact of WNLC.
